DESCRIPTION

The proposed legislation prohibits state, county, or local law enforcement agencies from using minors to enforce liquor control laws, unless the law enforcement agency establishes standards for the use of minors. The proposal outlines the minimum standards agencies must use. Copies of any agency's standards must be provided to a liquor licensee when the licensee obtains or renews its liquor license.

This legislation is not federally mandated, would not duplicate any other program, and would not require additional capital improvements or rental space.
